

For a number of years Continental Office has provided full service commercial flooring offerings and floor maintenance throughout Ohio. We've seen a steady increase in demand for various concrete and epoxy finishes. In response to that demand, we're happy to introduce a full service concrete finishes group to our commercial offerings, bringing the finest in concrete polishing, concrete toppings, and epoxy floor finishes.

Office** Concrete
Finishes

CONCRETE POLISHING

This stylish, bright, and easy to clean solution:

- Can provide cost savings over traditional flooring
- Is easy to clean
- Requires less maintenance and a longer service life
- Is a sustainable flooring solution

CONCRETE EPOXY COATING

This durable, long lasting solution:

- Is easy to clean and maintain
- Protects your floors from damage
- Is highly resistant to chemicals and spills
- Is great for high traffic, food service, or industrial areas
